India) – Early Stage Grants**	High-growth SaaS	**₹25 Lakhs** non-dilutive grant + network	Bootstrapped
Network – AI Grant**	AI platforms	Up to **₹15 Lakhs** grant + mentorship	AI core, clear

4 Documents Typically Required

- Company incorporation certificate (LLP / Pvt Ltd)
- Startup India / Udyam registration
- Pitch deck (≤15 slides)
- Detailed technical/project proposal (for TDB, DST)
- Founders' CVs & ID proofs (PAN, Aadhaar)
- Product mockups or demo video
- 12-24 mo financial projections
- Letters of intent / pilot agreements with startups/MSMEs
- IP / patent status (optional)
- Bank statements & GST registration

5 Application Workflow (Step by Step)

1. **Register on Startup India** → obtain certificate.
2. **Prepare a master pitch deck** – customize the impact section for each grant.
3. **Pick top 3-4 grants** (e.g., Startup India Innovation, TS Startups, NASSCOM 10,000 AI, Google AI Grant).
4. **Tailor required docs** for each program (technical proposal for TDB/DST, demo video for corporate grants).
5. **Submit online** via the portal; attach PDFs and fill forms.
6. **Interview / demo** – be ready with a live sandbox of your recommendation engine.
7. **Due diligence & award letter** – review disbursement schedule.
8. **Use funds & report** – follow quarterly progress report requirements.

6 Quick Tips for Success

- Build a **MVP-lite demo** (even a UI mockup) for reviewers.
- Highlight **traction potential** – list startups/MSMEs you've spoken to, LOIs.
- Align narrative with **Digital India / Make in India** themes.
- Combine **cash grants** with **cloud-credit programs** to stretch the ₹20 Lakhs.
- Join **T Hub** or **IIIT Hyderabad incubator** for mentorship and co-funding.
- Keep all financial records (bank statements, GST filings) clean for audits.
- Prepare a **2-minute video pitch** (problem, solution, impact, ask).
- Set calendar reminders for each grant deadline (most are quarterly).

7 Immediate Next Actions for Granter Genie

1. Register on **Startup India** (if not already).
2. Draft a 12-slide deck covering problem, AI solution, market size, business model, team, financial

ask (₹20 Lakhs).

3. Apply this quarter to:

- **Startup India Innovation Programme** (mid-Sept deadline)
 - **TS Startups Seed Grant** (rolling – apply ASAP)
 - **NASSCOM 10,000 AI Track** (Oct deadline)
 - **Google AI Grant** (continuous)
4. Set up **Google Cloud**, **Azure**, and **AWS** credit accounts now.
5. Reach out to **T Hub** for possible incubation and co-funding.
6. Create a **2-minute demo video** showing a sample grant recommendation flow.
